

COVIDSAFE PUBLIC EVENTS

EVENT PLAN TEMPLATE FOR TIER 1 and TIER 2 EVENTS

Instructions

A COVIDSafe Event Plan is a unique and comprehensive plan that must be specific to your event and venue. The plan sets out how high-risk activities will be managed to reduce the risk of transmission of coronavirus (COVID-19) between participants, attendees and staff. This template should be used to develop the COVIDSafe event plans for Tier 1 and Tier 2 major events in Victoria.

Detailed guidance on how to develop your COVIDSafe Event Plan can be found [for preparing a COVIDSafe Event Plan' documentv](#)

The responsibility for the implementation of, and any amendments to your approved COVIDSafe Event Plan will belong to the Event Organiser.

Submission guidelines

Please submit all COVIDSafe Event Plans through the Victorian Government's [Coronavirus website](#).

- COVIDSafe Event Plans for Tier 1 events must be submitted at least 8-10 weeks prior to the event commencement.
- COVIDSafe Event Plans for Tier 2 events must be submitted at least 4-6 weeks prior to the event commencement.

Section 3: Explanation of Event Public Health Risk Controls

All COVIDSafe Event Plans must incorporate controls to mitigate the risk of coronavirus (COVID-19) transmission before, during and after the event. Consideration must be given to the following aspects of event planning when creating a COVIDSafe Event Plan to identify and mitigate public health risks:

- Event oversight and administration
- Spectator management
- Cleaning and hygiene
- Staff, vendors and subcontractor safety

Please note, this template only provides details of general event risk controls. Event organisers are expected to also incorporate event-specific controls into their COVIDSafe Plans based on the contextual needs of their event.

For detailed guidance on event specific risk controls please refer to '[Guidance for preparing a COVIDSafe Event Plan](#)'.

Events must have an appropriate governance structure that incorporates communication of intent to all event authorities, detail of key people involved in the COVIDSafe Plan and key processes to plan and deliver COVIDSafe events.

- How will you ensure general governance arrangements are widely understood by all facilitators of the event?
- How will you monitor the Victorian Government's latest public health advice and incorporate it into your planning?
- How will you ensure that attendees are provided with key public health messages and advice to stay at home if unwell?
- How will you enable clear and detailed record-keeping to facilitate contact tracing?
- How will you assess and mitigate flow on implications to any surrounding local communities?

Staff, vendors, volunteers and contractors

Staff, vendors, volunteers and contractors are essential in operating a COVIDSafe event. They must understand and be responsible for their personal distancing and hygiene practices, and support attendees to behave in a COVIDSafe manner. To enable this, they must undergo appropriate coronavirus (COVID-19) training and have access to suitable personal protective equipment.

- How will you ensure that staff have access to appropriate personal protective equipment, and they receive appropriate training in its use?
- How will you monitor the wellbeing of staff during the event?
- How will you ensure adequate physical distancing is maintained between staff and attendees?
- How will you make sure staff have undergone suitable training?
